STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

STATE: OKLAHOMA

CASE MANAGEMENT SERVICES

- E. Provider Qualifications: Case managers certified by the Department of Mental Health and Substance Abuse Services (DMHSAS) must have an associate's degree in a related human service field, or two years or more of college education, plus two years or more of human service experience; or a bachelor's degree in a related human service field plus one or more years human service experience; or a master's degree in a related human service field. All targeted case managers must complete training in targeted case management and receive certification of such training.

Case management must be provided by a qualified provider agency of case management services. Programs must be reviewed in the areas of substance abuse and/or mental health by the DMHSAS as an agent of the Oklahoma Health Care Authority (Agency) in accordance with a current Interagency Agreement for such purposes. The program must be found to be in compliance with the applicable approved Agency standards for the purpose of providing case management services. Only organizations that have submitted a completed Agency Case Management Provider Application to DMHSAS will be eligible to be reviewed by DMHSAS for such purposes. The agency must demonstrate its capacity to deliver case management services in terms of the following items:

1. Adequate case management staff to serve the target group and available on a 24 hour on call basis.
2. Administrative capacity to fulfill State and Federal requirements
3. Maintenance of programmatic and financial records. Program records should show that the agency is able to develop and maintain assessment records. The financial records should include development of a management system which tracks costs associated with worker activities.

The provider agency must agree to comply with applicable Federal and State regulations.
